Tendency in Fiction Takes Brighter Turn

THE AWARDS by the Pulitzer prize committee this year contain scarcely any startling

The outstanding award each year, the one which usually seems to provide the most material for controversy, is that for the best novel. In this field, the committee satisfies the expectations of a majority of professional readers of fiction and writers about it, when it pins the badge on the lapel of John Steinbeck. The prediction generally among the literary critical fraternity was that Grapes of Wrath would breast the Pulitzer tape many lengths ahead of all the other entries in this annual race.

Grapes of Wrath started a fad for works of a similar nature, not only about migratory workers and the bitterness of the attempt to make wildly and ran more often than he attacked . . . Tendency in Fiction Takes Brighter Turn

THE AWARDS by the Pulitzer prize committee this year contain scarcely any startling

The outstanding award each year, the one which usually seems to provide the most material for contreversy, is that for the best novel. In this field the committee satisfies the expectations of a majority of professional readers of fiction and writers about it, when it pins the badge on the lapel of John Steinbeck. The prediction generally among the literary critical fraternity was that Grapes of Wrath would breast the Pulitzer tape many lengths ahead of all the other entries in this annual race.

Grapes of Wrath started a fad for works of a similar nature, not only about migratory workers and the bitterness of the attempt to make wildly and ran more often than he attacked . . . WHEN YOU lead your part-ner's suit against a suit contract you have two chief purposes in mind, just as in any other opening lead situation. They are to enable the side to gain as many tricks as possible in that suit and to give your partner as much information as possible about the rest of your hand, especially about your holding in that suit. The card chosen depends partly, however, on whether or not you had supported his suit during the auction

YOUR PARTNER'S SUIT

WHEN YOU lead your partner's suit against a suit contract. you have two chief purposes in mind, just as in any other opening lead situation. They are to enable the side to gain as many tricks as possible in that suit and to give your partner as much information as possible about the rest of your hand, especially about your holding in that suit. The card chosen depends partly, however, on whether or not you had supported his suit during the auction

The principal formulae to cover these problems are involved in
